#### The students intended learning outcomes (knowledge, skills and competences)

The central objective of Marketing of attractions and events is to provide a theoretical framework from which the students shall be able to develop projects to promote attractions and events in the scope of marketing for tourism.

At the end of the curricular unit the students are expected to be able to:

- 1) Make decisions aimed at setting goals, conceptualizing and implementing marketing strategies to ensure success in promoting attractions in the tourism context;
- 2) Make decisions aimed at setting goals, conceptualizing and implementing marketing strategies that ensure success in promoting events in the tourism context;
- 3) Stimulate the exchange of ideas and views on experiences in the area of attractions and events in tourist destinations;
- 4) Develop skills in critical analysis, creativity, oral and written communication and interactivity.

## Syllabus

I - Marketing of Visitor Attractions

II- Marketing of Events

III- Eventourism

IV- Events & Legacy

V - Case studies

---

## Teaching methodologies (including evaluation)

CU evaluation:

- Frequency Assessment Component (FAC): Individual written work 100%.
- Exemption from examination: FAC > = 10 points
- The student must comply with the duty of assiduity, and cannot miss more than 25% of the hours of contact provided.
- At the time of the normal-season exam, of the appeal period, of the special course completion or classification improvement, the exam result corresponds to 100% of the UC grade.
- For students who choose not to do the work, the individual written test will have a weighting of 100%.
